

Video transcript for Immigrant Art video Associations to the name “Immigrant Art”

INTERVIEWER:

I am going to show you something and I'd like you to tell me the very first thing that you think of

RESPONSES:

1. Immigrant Art. I think about people who sail across the water
2. I think more about graffiti and street art and such
3. I think about art that is made by people who have moved here
4. Errr Instagram ... it could be anything, anything from a self-employed person who has their own company, but it could also be someone who sits and does graphic design
5. I think they have made a project where they have got some immigrants to make art, or perhaps you are making art for the benefit of refugees. But there is of course a difference between immigrants and refugees, but yeah ...
6. I think it might be art from all over the world
7. Art made by immigrants, that would be my immediate response
8. Some refugees or migrants, people who come from elsewhere who have some kind of place where they meet where there is art or something
9. A way to disseminate + get some stories out there that won't get shown in the news
10. Some kind of creative project with some volunteers and refugees, I think
- 11a. *Jeg vil forvente at finde nogle afrikansk kunst eller arabisk kunst, eller ... ja ... jeg vil forvente noget eksotisk*
- 11b. *Ja, eller udenlandsk mode eller smykke eller noget lignende. Mere brugshåndværk*
- 11a. *Ja, eksotiske musik, tøj eller skulptur eller noget lignende*
