## ADDITIONAL INFORMATION

### ARTIVAL RE:CONNECT HUB

URBAN 13

Bispeengen 20

<https://www.urban13.dk>

*ARTIVAL RE:CONNECT is a multilingual cultural festival taking place across the Nordic region in 2023 between March and June 2023. It brings artists, cultural workers and organizations together in a sustainable manner to co-create and reflect on issues of inclusion and belonging through art, exhibitions, performances, talks, workshops and recitals.*

We are living in fractured times, in which people feel increasingly disconnected, not only from those immediately around them – friends, family and neighbours - but also from their fellow citizens, especially those they deem different to themselves.

Inspired by Noreena' Hertz's bestselling book *The Lonely Century: A Call to Reconnect*, **ARTIVAL RE:CONNECT** is a unique cultural festival taking place across the Nordic region this spring and summer that deploys poetry, music, theatre, visual art, performance and dance, with the dual goal of shedding light on these important themes and playing a part in the solution.

By using art to expose attendees to difference - different people, different approaches, different perspectives - and by providing them with new ways to connect and reconnect (with themselves, their local community and the wider world) **ARTIVAL RE:CONNECT** will not only inspire, it will actively help its audiences to come together, co-create and unite.
